OF

INSIDE AND OUTSIDE WINDOW BLINDS,

313, OXFORD STREET,

ADJOINING HANOVER SQUARE,

AND

3, QUEEN STREET, CHEAPSIDE,

LONDON.

TYLOR AND PACE would respectfully request attention to the following remarks :—

Every article enumerated in the accompanying book, they warrant to be of the first class, both as regards the material and workmanship.

The designs submitted for inspection in this pamphlet, are, of course, only as samples of the different descriptions. They have a very large assortment of Transparent Blinds suited for houses of every class, also numerous designs for Ornamental Blinds, both in Gauze Wire and Perforated Zinc. They, therefore, earnestly invite their Friends and the Public generally to visit their Establishment, even though it should not lead to an immediate purchase. The goods being manufactured entirely on their own premises, not only will the prices be found much lower, but the quality of the Articles far superior to most houses.
